Positively BRILLIANT

We're excited to welcome you to our 2026-2027 Cedarburg PAC, Inc. - Visiting Artists Series. It represents our 28th season of bringing the best-of-the-best artists to the stage – including some of the biggest names in the industry, as well as the fresh faces of tomorrow. Our enduring goal: to give our audiences the most memorable experiences possible!

This season, we feature a wildly popular group from NBC's *The Voice*, a Very Soulful Christmas show, a UK ensemble recreating the hits from music's Golden Era, the incredible harmonies of a Bee Gees tribute group, two brothers with a lifelong passion for 60's and 70's music, an Interactive Beatles Experience, and a dashing trio singing beloved Broadway tunes. It's going to be an electric season!

The Visiting Artists Series is about much more than that, however! We continue to inspire Cedarburg High School students each season by offering them opportunities to learn from and collaborate with our performers, as well as develop skills that may be useful in arts-related careers later. Additionally, thanks to the continuing support of The La Macchia Family in Memory of Sharon La Macchia, we will again be presenting events/performances for younger children through our Visiting Artists Series Jr.

Please consider taking advantage of the pre-season subscription discounts offered in this brochure. Last season four of our seven Visiting Artists Series performances SOLD OUT! Don't take the chance of missing your favorite artists in the upcoming season.

ABOUT US

OUR HISTORY

Cedarburg PAC, Inc. - Visiting Artists Series was founded 28 years ago to help the Cedarburg School District deliver on its promise of bringing professionally managed performing artists to Ozaukee County. This enabled the district to fulfill its commitment to the community without assuming the financial risk of funding a Visiting Artists Series. Collaboration with the District remains a vital element of the Cedarburg PAC, Inc.'s mission today.

Our children's programming initiative, Visiting Artists Series Jr., was created more recently with a generous donation from the La Macchia Family in Memory of Sharon La Macchia. The Series allows children to experience the performing arts and to interact with performers.

PERFORMANCE LOCATION

The Visiting Artists Series is presented at the state-of-the-art, intimate Cedarburg Performing Arts Center. This 580-seat theatre allows audience members to get closer to their favorite vocalists, comedians, actors and musicians than many other venues. In fact, the last row in the theatre is only 78 feet from the stage!

BRINGING OUR MISSION TO LIFE

Our mission – to *Enlighten, Educate and Entertain* – translates to every event we schedule and every life we touch. We encourage students in the greater Cedarburg area to appreciate and be inspired by the performing arts. That involves offering area young people master classes, workshops, and on-stage collaborations with our artists, as well as giving high school commercial art students opportunities to create promotional materials for our performances.

COMMUNITY SUPPORT

We rely heavily on the generosity, commitment and support of our dedicated Underwriters, Sponsors, Stars, Friends and Partners. They have helped to nurture the arts in our community for 28 years. And many have benefited – our loyal Visiting Artists Series audiences and young people of all ages who have learned from and been moved by our artists.

The trio officially debuted as DEK of Hearts in April 2024, opening for Grammy Award-winning artist Rhonda Vincent, who played a pivotal role in championing their early steps as a group. Winners of Tennessee Songwriters Week, they released their breakout single "Taillights," which was followed by their well-received sophomore release, "Something in the Well." **DEK of Hearts** is working to redefine the modern country-pop trio!

NIGHT FEVER

A TRIBUTE TO THE BEE GEES

Night Fever is widely recognized as the largest and most authentic production of the Bee Gees in the world! For over a decade, this powerhouse ensemble has toured globally—from the stages of Disneyland to international arenas in Russia—meticulously recreating the iconic look and “high-tenor” sound of the Brothers Gibb.

Musically, **Night Fever** is a masterclass in vocal precision. Recreating the Bee Gees’ signature three-part tight harmonies is one of the greatest challenges in music, and this production delivers it with “note-for-note” accuracy. The setlist includes sing-a-long anthems like “Stayin’ Alive” and “You Should Be Dancing,” as well as hits like “To Love Somebody,” “I Started a Joke,” and “Jive Talkin.”

UNPLUGGED LEGENDS

Unplugged Legends is a heartfelt, acoustic-driven celebration of the music that defined a generation – performed by two brothers with a lifelong passion for these iconic songs. This show transports audiences back to the golden era for the singer-songwriter movement – including the sounds of James Taylor, Cat Stevens, Jim Croce, Simon & Garfunkel, John Denver and more.

With just voices, acoustic guitars, piano, and light accompaniment, **Unplugged Legends** strips these songs back to their emotional core, revealing the beauty, intimacy, and craftsmanship that made them endure. The brothers' natural chemistry and tight vocal harmonies bring a familial warmth to the performance, creating the feeling that you've been invited into their living room for a personal, heartfelt concert.

YESTERDAY AND TODAY *THE INTERACTIVE BEATLES EXPERIENCE*

Yesterday and Today: The Interactive Beatles Experience is not just another Beatles tribute show – it's an unforgettable journey that places the audience in the heart of the experience. Created by brothers Billy, Matthew and Ryan McGuigan, the show lets the audience choose the entire setlist. Before each performance, audience members fill out request cards with their favorite Beatles song and the reason behind their choice. Minutes before showtime, these cards are collected, and a unique setlist is crafted based on the audience's selections.

Throughout the performance, the McGuigan brothers and their band blend the audience's personal stories with their own memories of growing up listening to The Beatles, creating a one-of-a-kind show that changes with every performance.

STUDENT INVOLVEMENT

FIRST STAGE PRESENTS LOVABYE DRAGON AS PART OF VISITING ARTISTS SERIES JR.

First Stage Children's Theater brought their enchanting **Lovabye Dragon** production to the CPAC stage this past February as part of a partnership with Cedarburg PAC, Inc. - Visiting Artists Series Jr., with funding from The La Macchia Family, In Memory of Sharon La Macchia.

Cedarburg elementary school students had the opportunity to experience this moving musical based on the *Dragon and Girl* books by best-selling Wisconsin author **Barbara Joosse**, with infectious music from **The Happy Racers**. It explores the story of a lonely, young girl and an even lonelier dragon who come together for a magical adventure featuring a 14-foot dragon puppet. The students and teachers who attended were positively mesmerized by the performance!

CHS CHOIR STUDENTS PARTICIPATE IN VAS PERFORMANCE OF *I AM, HE SAID: A CELEBRATION OF NEIL DIAMOND MUSIC*

Cedarburg PAC, Inc. offers CHS students master classes, workshops, and on-stage collaborations with performing artists each season. At the April Visiting Artists Series performance, ***I AM, HE SAID: A Celebration of Neil Diamond Music***, twenty-seven members of the Cedarburg High School A Cappella and Bella Voce choirs joined the artists on stage for the final six songs of their concert.

According to Choir Director Tony Mudra who prepared the young people for this amazing opportunity, the students had a great time performing with the band!
